

# Our expedition is: "People Who Help Us"

## **Belonging**

"It is our responsibility to ensure children feel safe and secure within the setting environment, and to show genuine care and emotional support to help build a firm sense of belonging"

### **This term the children will:**

- Learn that they are part of a community beyond their family and school
- Begin to develop kindness and caring attitudes

## **Communication**

"An environment that is communication rich should provide children with opportunities to express and communicate their needs, thoughts and feelings"

### **This term the children will:**

- Learn and use new words and job-related language linked to our topic
- Begin to develop confidence in speaking, listening and social interaction

## **Exploration**

"Children are endlessly curious problem solvers who often find delight, awe and wonder in everyday occurrences"

### **This term the children will:**

- Investigate the roles and equipment people who help us
  - Count, sort and measure through play-based learning

## **Physical Development**

"Repetition and variety are critical to development as children begin to explore their capabilities"

### **This term the children will:**

- Refine fine motor skills during Dough Disco
- Move on a variety of surfaces and maintain balance during weekly PE sessions

## **Well-being**

"Environments can support children to begin to recognise and manage their feelings and behaviour in a positive way"

### **This term the children will:**

- Begin to talk about emotions
- Develop positive relationships with teachers and children

### **To support your child at home you could...**

Read story books, say rhymes and sing regularly

Talk about things you see in the environment – such as road signs, number plates on cars and door numbers

Try to encourage your child to practise dressing and undressing so they become confident in doing this independently, including their socks and shoes

Encourage running, jumping, skipping when out and about
